Make it a Weekend in Johnson City, Tx
Family Lights Spectacular Edition

Friday: Settle in and See the Lights

Make the drive to Johnson City and you should get there as dusk settles and the lights start shining.

Take time for plenty of family photos and strolling, along with dinner in town at Proof and Cooper's. The barbecue and beverages will win approval from the parents, while the arcade wins the hearts of the kids. Then, head back to your rental to settle in for a cozy night.

Saturday: Explore the Outdoors

Even in December, the weather is usually beautiful enough to spend the day outdoors. Start with a bite to eat from The Jittery Biscuit, then head out to the LBJ State Park to visit the Sauer-Beckmann Living History Farm.

You can enjoy two different types of al fresco afternoons - either grab burgers and shakes in the courtyard at Fat Boy Burgers, or head to Lost Draw Winery, where there's plenty of room for the kids to play while you enjoy a glass of their locally produced wine.

When it starts to get dark, head downtown again, where Lights Spectacular's weekend programming will be in full force with visits from Santa, holiday movies and more.

Sunday: Science and Snacks

The Science Mill is the perfect spot to spend part of the day Sunday before heading back home. Let the kids engage in some hands-on, minds-on learning that will get them thinking and engaging. If you really want to treat them, cross the street and grab ice cream from Hill Country Ice Cream before heading on the drive home!
